25X1	* Command. In general, confirms previous reports according to which Arad was the chaited post of a Soviet tank unit, presumably a redium tank regiment. An artillery unit with medium guns and an AT artillery unit were observed in Arad as early as	25X1
25X1	July 1951. The terrain near Aradul Nov seems to serve as training field for the units at Arad military post.	25X1
